**For Attention:** Premier: Mr David Makhura

We the undersigned are concerned residents of Midrand, under the municipal jurisdiction of SAPS, being the COMPLAINANTS in this application, we hereby PETITION the Premier & South African Police Service's in conjunction with its applicable departmental heads, for the expeditious INTERVENTION and RESOLUTION on OUR behalf.

**Legal Ref:** Constitution Of South Africa: Chapter 11 Security Services 205 Police Service.

**Background** The Midrand population has increased over the past 5 years but police resources has decreased over this same period. This Station needs resources that match the current population and crime demands.  
In 2009 the Midrand Police Station had 212 staff members and in 2015 there are now only 181.  
The National Police statistics show that crime is increasing and without a strong local police station, the war against crime will never be overcome.

**Taking into consideration the presentation and deliberation of this petition to be tabled at SAPS, WE REQUEST FROM ALL THE CONCERNED PARTIES AND DESIGNATED OFFICIALS THAT: Additional resources to be allocated to the Midrand Police Station to help fight the increasing crime in the area.**
