PIKITUP MIDRAND DEPOT RELOCATION

Dear Honorable Councillors,

Pikitup wishes to inform you officially about the imminent relocation of offices by its Midrand Depot. The Midrand Depot has been occupying offices at 142 16th Road in Rantjiespark for the past 14 years, regrettably this building has become unaffordable over time due to exorbitant rental fees.

The new office building and premises located at number 82 Letchwe Drive, Corporate Park South in Midrand - (GPS Coordinates -25.949314, 28.137933), will afford the Depot an opportunity to accommodate the staff as well as address the need for a much large parking space for the Fleet used for service delivery. The new premises are also centrally located to enable access by all residents of the Region A. The key Stakeholders in Region A have been informed about the relocation.

The Midrand Depot will be operating from its new premises from Wednesday, 01 April 2015. It is important to note that the Depot's Switchboard number remains unchanged i.e. 087 357 1378.

We trust that the move is well supported by your office.

Yours in Service Delivery,

Amanda Nair
