

Difference of CSF and CPF

CSF	CPF
CSF are meant to facilitate the delivery of a multi-sectional governmental approach on safety in local communities.	The CPF is a legal community structure established in terms of the SAPS Act and is mandated to facilitate community-police relations within a specific police station precinct
Serves as coordination structure	Serves as the mouthpiece of the community
Appointed Structure	Elected structure
Collaboration with Justice, Crime Prevention & Safety companies	Collaboration with SAPS
They ensure implementation	Raise issues
Mandate from the Government	Mandate from communities
Budget Allocation for operations	Raise funds for operations
Municipal boundaries	Police station Precinct
Implement strategies	Report on successes & failure policing
