

SOME SAFETY TIPS BEFORE GOING AWAY THIS EASTER HOLIDAY:

1.
Ensure your Alarm at your property is working, contact your security provider to test signals.

2.
2. Replace your back up battery that operates your alarm panel.

3.
3. Have Day and Night Lights sensors, mainly outside your perimeter wall.

4.
4. Test your electric fencing and energizer, contact your security provider to test for signals.

5.
5. Cut Foliage that may be interfering with electric fence wires.

6.
6. Inform your neighbour/security that you are going away on holiday so that they can monitor your property.

7.
7. Leave your pets at a Animal Shelter if you have no one to watch over them.

8.
8. Have your security company to do regular patrols.

9.
9. Have all emergency contacts numbers available including the place you are visiting.

10.
10. Ensure that your burglar gates/bars secures all opening and closing windows and doors.

If travelling, be safe, be vigilant. Motorists must expect peak traffic conditions on the route this Easter weekend.

Higher traffic volumes expose drivers to greater risks on our roads, and therefore N3TC and its partners are taking every precaution to make the Route as safe as possible during this busy period. Motorists should ensure that they are well prepared for their journeys and able to cope with any eventuality which may cause protracted delays. Carry food and water, allow extra travel time, and keep in mind that weather conditions can change quickly, causing roads to be wet and visibility poor.

Motorists are encouraged to obtain the latest traffic and weather information for the N3 Route on Twitter @N3Route or by contacting the 24-hour N3TC Route Control Centre on 0800 63 4357 (0800 N3 HELP).

Emergency situations or any difficulties along the Route should be reported to the N3TC Route Control Centre immediately via the N3TC Customer Careline – 0800 N3 HELP (0800 63 4357). This facility is the motoring public's direct access point to emergency assistance on the N3 Toll Route between Cedara and Heidelberg.

HAVE A SAFE, BLESSED EASTER.
