REFUSE COLLECTION SERVICE RESUMES

Pikitup workers are now back at work and have commenced the collection of refuse as per the normal refuse collection schedules.

Residents and business owners are advised to take out their bins as per their normal refuse schedule starting from Monday, 08 February 2016.

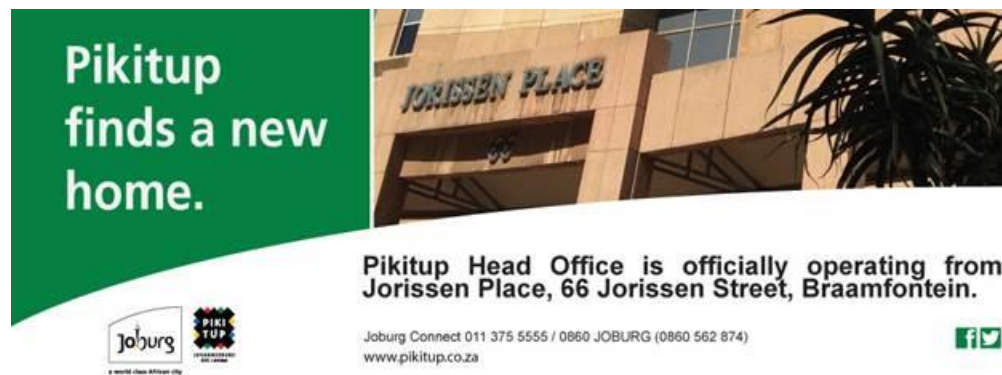

Areas which were missed last week on Thursday and Friday as a result of the illegal work stoppage and also not prioritised during the weekend, will be serviced as per the areas' normal refuse collection scheduled days.

Residents and business owners are encouraged to contact the Call Centre for any complaints related to refuse collection and other related queries: 0860 562874. Please visit the Pikitup website on www.pikitup.co.za for a detailed refuse collection calendar.

Pikitup management once more apologises to all affected residents and business owners of Joburg, for the inconvenience caused by the illegal work stoppage which ended late on Friday.
